BETHEL HEAD START NEEDS HELP

The Head Start Center in Bethel is looking for a new classroom. We now have four classrooms in Oxford County and because of limited funds one of them will have to be dropped. They are in Dixfield, Fryeburg, Norway and ours in Bethel Bishop School.

This school room is much too small for 15-20 children. We would welcome anyone interested to come and visit the room.

An adequate classroom is a criteria for an eligible center. Ours is not adequate.

Also community support is a must. Dr. Harrell has provided physicals free of charge for the past two years. Also Harold Clukey has offered anything for consumable supplies.

We have had other donations which have been greatly appreciated but more are needed.

If anyone has a place we could use as a center we would appreciate hearing from you. Also any donations can be sent to the Head Start Center in Bethel.

Anyone able to help us find a classroom, contact: Judy Bean, Elm Street; Martha Bates, 824-2033; Virginia Learned, 824-2280.

LIVERMORE FALLS EDGES TELSTAR BY 1.69 POINTS FOR STATE "B" SKI CROWN

Livermore Falls gained the State Class B schoolboy skiing championship in a meet concluded in bitter cold and high winds at Fort Kent on Tuesday. The Andies won the slalom and were second to Telstar, which compiled a perfect score in the jumping to draw within two points in the four-event total.

Fort Kent ran third, Central Arundel fourth followed by Presque Isle. Individual titles went to Armand Cyr of Fort Kent in slalom and Rex Cummings of Telstar in the jumping, but the four-event skimeister was Pete Merriam of Livermore Falls. Second inmeister points was Telstar's Pete Blake, and Charley Neider of Livermore was third.

Livermore Falls had assumed a better than four point lead on Telstar at the mid-way point of the championships Monday. Livermore cleaned up in both giant slalom and cross country the first day with the Bethel squad second in both instances and Fort Kent third.

The final margin favoring LFHS over Telstar was 363.71 to 387.02 followed by Fort Kent, 371.92; Central Arundel, 342.57; and Presque Isle, 362.90.

WORLD DAY OF PRAYER SERVICES TO BE HELD AT WEST PARISH CHURCH, MARCH 3

Church Women United in Bethel will observe World Day of Prayer, the international celebration of faith and unity among Christian Women on Friday afternoon, March 3, at 2 o'clock at the West Parish Congregational Church. The theme, to be used in similar gatherings in 109 countries, is "All Joy Be Yours".

Since the first small gatherings in the United States 35 years ago, the idea of united prayer by women from sun to sun has increasingly captured the imagination of community groups. Today, World Day of Prayer can be described as the most important ecumenical occasion during the year. This celebration is the most widely observed activity of Church Women United, which is the ecumenical expression of Protestant, Orthodox and Roman Catholic women who wish to mobilize around common goals and channel their energies into effective action. The goal of Church Women United is to form a visible fellowship of believers in Christ, and move in every community and nation as instruments of reconciling love. There are 2,300 units of CWU in the United States.

This year's theme, "All Joy Be Yours", is designed to raise the consciousness of the participant that the joy found in Christ is transcendent, permeating all of life no matter what conditions prevail.

The World Day of Prayer offering goes into a fund called Intercontinental Mission—the process by which CWU participates in a ministry to people all over the world.

Mr. and Mrs. Sumner Burgess and Mr. and Mrs. Alden Kennell are spending the week in Florida.

COMMENTS FROM THE OFFICE OF THE TOWN MANAGER

"We have not, as yet hired a new secretary in the town office. There has been a delay arranging interviews. The rush for automobile registrations has made it difficult to know when to schedule individuals to appear for interviews. We need the new person badly but at the same time we want to be sure we consider every applicant on the same basis.

The Oxford County Municipal Officers Association sponsored a meeting Wednesday night with the executive secretary of the Maine Municipal Association as speaker. The principal subject was the proper procedure for moderators at town meetings to follow. There were two people from Bethel in attendance who have served in that capacity. They found the meeting informative which, should they again serve, would be very helpful.

We do not intend to have the office open this Saturday. We have done so in the past and had very few in. If anyone is experiencing difficulty obtaining a motor vehicle registration during regular hours, contact the office and we will make arrangements to get theirs for them some other time.

Lt. Ken Green

One of the musical highlights of area wide interest of the 1972 spring season will be the Monday, March 6, performance of the "Armen of Note," the official U. S. Air Force Jazz ensemble from Washington, D. C.

The band which came from extensive nation and world tours also reaches its worldwide audience over a network of approximately 2,500 radio stations.

The band is under the direction of Lt. Ken Green, a holder of a bachelor's degree in music from the University of Utah. A former teacher in the public schools of California, he has been a three time music director for the Los Angeles County Beany Pageant. He has performed with such groups as Frank Rosolino and Stan Kenton. Prior to Lt. Green's present assignment he

S. A. D. 44 DIRECTORS MEET — HEARING HELD, TUESDAY

The board of directors of S. A. D. 44 held a regular meeting Monday evening at Telstar Regional High School.

A hearing was held concerning the Linnie B. York case. Mrs. York's employment was terminated last fall as a bookkeeper in S. A. D. 44. She is suing the officials of S. A. D. 44 in the amount of \$50,000 for damages in a suit filed with the U. S. District Court in Portland under the Civil Rights Act.

Robert J. Gerardi, superintendent of schools, read a statement with reasons for the dismissal that included instances of Mrs. York's criticism of staff and alleged laxity in reporting financial matters promptly to the superintendent. Other items cited were discovered after her dismissal. It was suggested by a director that these be stricken from the record because they were not revealed at the time of her dismissal.

Martha Loring, attorney, of the Maine Teachers Association, representing Mrs. York, asked for a copy of the superintendent's statement. Michael O'Donnell, attorney for S. A. D. 44, denied the request, stating that they were subject to discovery.

Atty. Loring questioned Mrs. York regarding points brought up by Mr. Gerardi.

Also questioned by Atty. Loring were two former office employees, Mrs. Richard Melville of Locke Mills, and Mrs. Harlan Hutchins of Bethel. Mrs. Melville stated she left the employment of S. A. D. 44 prior to Mrs. York's dismissal because of administrative problems. Mrs. Hutchins, when questioned, said she left because of an unpleasant situation. She had planned to leave anyhow but left earlier than planned. She said both secretaries and they had no personal problems with Mrs. York.

Atty. Loring stated there was nothing in Mrs. York's personal file that led to believe there were any complaints. Atty. Loring asked if the statement read by Mr. Gerardi contained the reasons given at the board meeting when Mrs. York was dismissed.

Board Chairman John Brown of Bethel stated that the reasons were continued on Page Eight.

was associated with the U. S. Air Force Band, McGuire Air Force Base, New Jersey, the MAC Command Band at West Air Force Base, Kansas, and was conductor of the U. S. Air Force Band of the East, Westover Air Force Base, Maine.

The band will give two free performances at Oxford Hills High School, one at 1 p. m. for the students while the 8 p. m. evening concert will be for the general public.

Free tickets for the evening performance may be obtained at Achard's Drug Store, South Paris. The doors will be open at 6:30 p. m. Holders of patron tickets are asked to be seated not later than 7:40 p. m. The concert is being sponsored by the Oxford Hills Music Boosters.

S. A. D. 44 VOTERS APPROVE 18-MONTH BUDGET, TUESDAY

The voters of S. A. D. 44 approved with scattered opposition a gross budget of \$2,570,007 to operate the district's schools for the period of Jan. 1, 1972, to June 30, 1973, at the annual budget meeting Tuesday evening. The session held at the Telstar Auditorium was attended by only about 150 citizens in contrast with years in the recent past when the meeting attracted 400 plus citizens. This year was the first since 1963 that voters did not request a secret yes/no ballot on the budget question.

Of the gross budget approved, a net figure of \$1,475,103 is to be raised by taxation in the member towns of Andover, Bethel, Greenwood, Newry and Woodstock. Two-thirds of the net figure will be assessed in 1972.

Voters also approved an article that enables the district to continue the acceptance of tuition students, without limitation.

Ralph Packard of Locke Mills was the moderator of the hour and a half meeting.

CUB SCOUTING REPORT

This past Monday evening we had Mr. Hewitt, Scout Executive for the Rangley District, give the organization committee a briefing on Cub Scouting. Mr. and Mrs. Bob Kenyon were also present. The Kenyons have had a considerable amount of experience in this area and they have volunteered to act as consultants when problems arise.

Our next meeting is scheduled for Monday at 7:00 in the Methodist Church. At this time, the boys will be assigned to the various dens and hopefully we'll be on our way! We will discuss on what particular evening the Pack Meetings should be held, also, we will plan the agenda for the Pack Meetings. If your son has signed up for the Cubs, he should be hearing from his Den Mother sometime next week.

The organization Committee is made up of the following: Ron Coulombe, Cubmaster; Joe Shumamura, Assistant Cubmaster; Hugh Chapman, Webelos Leader; Janita Kenyon, Coordinator of the Den Mothers; Beverly Corriveau, Den Mother; Ruth Feecey, Den Mother; Lorella Merrill, Den Mother; Phil Kenyon, Committee Member; Gene Kelly, Committee Member and Treasurer; Tim Kersey, Committee Chairman.

CHAMBER OF COMMERCE TO MEET TUESDAY

The Greater Bethel Chamber of Commerce will meet Tuesday evening, Feb. 29, at the Mount Allen Post Home. Dinner will be served at 6:30. Candidates for S. A. D. 44 directors and election moderator will be guests.

Mr. and Mrs. Joe Perry and Mr. and Mrs. Hinder Borge attended a post-prandial reception for Mr. and Mrs. Robert Griffin (Jo Ann Perry) at Portland, Sunday, at the home of Mr. and Mrs. Joan Griffin.

GREENWOOD CITY

Mrs. Colista Morgan, Corres. — Far back where deer pause at the time that sunset smiles and they move as softly as a dream; is the forest section which I visited today.

There seemed to be a crust when I set out and I hoped to go to the cliffs across the road. I found that the crust within the forest would not hold me so I kept down pond. Just beyond the falls I took my swamp path. To my right every jagged, snow-covered rock was alabaster white in the sunshine. It was a fitting trail; hypnotic and deeply stirring among these lichen-spattered stones at the base of the hills. It was so warm and pleasant here in the boggy meadow that I could almost fancy that from beneath, there would come a joyful chorus.

"For lo, the winter is past!" but we chilly mortals still find the wind frosty and the woods unpromising and we refuse to take up the glad refrain at this time.

Beyond the swamp I turned right and took the snow trail toward the top of Patch Mountain. Ahead out of the distance the parallel ridges dragged across the landscape with the furrows of the valleys between.

I was truly alone here walking among the grays and greens of the trees, as I climbed into the foothills. Where ever the trail led I followed looking at the sculptured beauty of the trees which formed the most impressive feature of the landscape.

Once a score of white birches huddled together near the trail; one of which formed a perfect arch above.

Standing there alone, I was surrounded by a silence so intense I could hear no other sound than my own slow breathing. My eyes wandered over the wild and lonely beauty.

The air was clear and bracing but I loosened my coat and removed my mittens as I climbed up then tobogganed down into the trough beyond.

At my right part of the way was a gully through which ran a clear gurgling brook, which appeals to every country-loving heart. This is the same brook which feeds my falls.

The sunlight filtered through the leafless branches; a helicopter puttered up the valley.

A "cat" had followed this same trail ahead of me; perhaps in the night.

After some distance I turned a curve and there stood an old camp of some lumberman in days long gone. Its walls stood but its roof was gone.

An old road led to the right of it. I continued on by and crossed the brook on the old bridge. I remembered fishing here several years ago.

The cool, dim shadows brought on interlude so calm I wished that I might stay. I wondered how long the bridge had stood there patiently stretching across this wayward stream; what tales it could tell.

I moved on and up again, then glanced at my watch. One hour had passed since I left home. So now I must return to get lunch.

Going back I had company. My shadow kept by my side all the

way. Of course I was reminded of Stevenson's "I have a little shadow."

The sparkling trail glistened and again the silence was intriguing on this glorious morning.

Before long I was between the ponds but instead of going through the swamp I kept down across Turtle Bridge and then on to the main highway.

Here I met the ageless winds just coming down the valley through dark channels from the north.

In just under two hours I reached home to finish the tasks I should have done earlier before I discovered there was a crust.

"O winter world, O soft white world,

In you I see God's touch, And feel that he created you For those he loves so much."

S. A. D. 44 DIRECTORS MEET

continued from Page One
not itemized verbatim as presented but were alluded to. Atty. Loring stated that she felt they had not received adequate reasons for dismissal.

In other business before the board, there was a presentation of a survey of SRA test results by Edward Flynn, principal of Bethel elementary schools. He recommended the district do away with the tests and use teacher-made exams. SRA testing was eliminated from the district budget previously. Mr. Flynn's report was referred to the Education Development Committee.

A petition was presented from 37 members of the Telstar staff asking that arrangements be made to transfer the district computer payroll to another bank. The directors agreed to investigate the possibility.

The board directed the chairman to contact the commission of the Maine Department of Labor and Industry and an attorney relative to the decision of the M. S. A. D. 441 Education Association to seek fact-finding unilaterally in their negotiations with the board.

The board approved a motion to allow current members of the negotiating committee to serve in the open chair or as consultants if they wish until resolution of current bargaining with the Education Association.

Board members absent Monday evening were Kenneth Feener of Andover and Paul Wight of Newry.

Due to the fact that March 6 is town meeting day in four of the five member towns of the District, the next regular session of the board will be held at Telstar Regional High School on Tuesday, March 7, at 7:30.

The church was attractively decorated with green, snapdragons, and mums.
